

I need a secretary.

What about me?

I don't even know how you got in here. I need a secretary.

Aww, but I fixed the answering machine.

Oh did you?

BOOP

You've reached the Berserker Labs Meat Products Department, satisfying your meat needs since 2008. No one is available to take your call right now as we are likely busy handling the meat and meat products of our valued customers. If you have a question about our meat, or would like to find out how to make our meat your meat, leave your name and number and we'll get back to you.

I need a secretary.
